In harsh daily life at the stable, after exercise, at tournaments – the BEMER Horse-Set unlocks completely new possibilities for the care and upkeep of your horses. Its numerous clever details are the result of our intensive collaboration with leading equestrian professionals – resulting in the best BEMER Horse-Set ever. An easy and indispensable part of your daily routine.

Ready for a riding revolution?

The product

- ~ Ergonomic horse blanket with optimal coil configuration for all neuralgic centers
- ~ Intelligent strap system (freely adjustable in just a few steps)
- ~ 2 cuffs for the front and hind legs, including washable cuff inlets
- ~ Breathable mesh inserts
- ~ Ultra-easy operation of the controllers (battery-operated, integrated into the blanket and cuffs)
- ~ Charger with Y-adapter to charge two devices, including international adapter
- ~ Practical bag including sweat blanket

Boost your horsepower.

The BEMER Horse-Set can improve microcirculation, i.e. the blood flow to the smallest vessels. You will see how quickly your horse becomes calm and recovers.
