For your horse's well-being

~ BEMER Horse Line

BEMER
GROUP

In harsh daily life at the stable, after exercise, at tournaments – the BEMER Horse products unlock completely new possibilities for the care and upkeep of your horses. Their numerous clever details are the result of our intensive collaboration with leading equestrian professionals – making the BEMER Horse products must-haves in every stable. An easy and indispensable part of your daily routine.

Ready for a riding revolution?

The Horse Line

- ~ Ergonomic horse blanket with optimal coil configuration for all neuralgic centers
- ~ Clever neck applicator that provides support from the withers to the poll
- ~ Two cuffs for the front and hind legs, including washable cuff inlets
- ~ Intelligent strap system (freely adjustable in just a few steps)
- ~ Breathable mesh inserts
- ~ Ultra-easy operation of the controllers (battery-operated and splash-proof)
- ~ Charger with Y-adaptor to charge two devices, including international adapter
- ~ Practical carrying case and carrying bag
- ~ High-quality sweat blanket (included in the Horse-Set)

Boost your horsepower.

The BEMER Horse Line products can improve microcirculation, i.e., the blood flow to the smallest vessels.³ You will see how quickly your horse becomes calm and recovers.^{1/5/6} Many of the positive effects have been scientifically investigated.

The benefits

- ~ Improves microcirculation and thus cellular metabolism³
- ~ Can support parasympathetic processes in the organism and thus promote regeneration and relaxation^{1,5,6}
- ~ Can improve suppleness, which is essential for optimal exercise^{1,5,6}
- ~ Can aid recovery following surgery^{2,3}
- ~ Helps to improve your horse's functional movements and the flexibility of its spine⁵
